Mathemagicians' Club

The mission of Mathemagician club is to foster a community of students around a common interest. The club aims to work for the interest of the students. The purpose of club is to arouse students' interest so that they can gain students' proficiency in using Mathematics, analyse and solve problems both in school and in real life situations.

Mathematical Rangoli competition was conducted for students of classes IX and XI . Students really surprised everyone with their beautiful rangoli using only mathematical patterns. Maths quiz was also conducted for classes IX , X , XI and XII.
